

**Together Pharma appoints Yochanan Danino, former chairman of Migdal Insurance and the police commissioner, as the Company's chairman**

**Mr. Danino will lead the Company's international business development activities, including the promotion of collaboration agreements with global players**

**Ashkelon, February 5, 2019** - Together (TASE: TGDR), which specializes in the growing and production of medical cannabis, announces the appointment of Yochanan Danino, former chairman of the Migdal Insurance company and the police commissioner to the chairman of the board of directors of Together Pharma.

**Yochanan Danino, the incoming chairman of the board of directors:** "I am pleased to join Together, which is led by excellent management personnel and entrepreneurs. In the past year, the Company has built assets of great economic potential, both in terms of facilities and growing farms in Israel and abroad and by signing agreements worldwide.

The medical cannabis market is one of the fastest growing markets in the world which provides significant opportunities for Together Pharma, certainly in view of the export approval from Israel. The medical community, leading policymakers, and caregivers today fully admit that the medicinal benefits of the plant are unequivocal. Cannabis plant products provide a cure for patients daily, worldwide and in a wide variety of indications, whether they are patients suffering from cancer, epilepsy, pain, autism, depression, post-trauma and more.

I intend to promote R & D activities as well as unique technologies and realize the knowledge accumulated over the years in Israel in the field of cannabis to develop products that will be the next generation of cannabis products for patients.

From a business standpoint, I intend to contribute my experience in order to help the Company leapfrog and turn it into one of the leading companies in Israel and worldwide in the field of medical cannabis, while unlocking value to all of the company's shareholders. "

**Nissim Bracha, CEO of Together:** "I am delighted that Yochanan joined the Company's leading team and is convinced that under his leadership we will continue to promote the Company by signing agreements in Israel and abroad, expanding research and development activities, and collaborating with leading players in the global medical cannabis industry".

Mr. Yochanan Danino served as chairman of the board of directors of Migdal Insurance Company and senior advisor to McKenzie. In 1982 he joined the police and over the years performed senior positions in the police until his appointment as commissioner in 2011 for a four-year term. Mr. Danino currently serves as a senior consultant in technology and cyber companies, including Black-Cube, SOSA NY, and as chairman of Cyberd.

Mr. Danino holds an LLB degree from Tel Aviv University and is a member of the Israel Bar Association since 1998.

Mr. Danino also holds a Masters degree in political science (MA) from the University of Haifa.

**About Together and Globus Pharma**

Together (TASE: TGDR) is active in the field of medical cannabis through its subsidiary Globus Pharma, which is currently developing an advanced agricultural and technological infrastructure for the growing, production and marketing of medical cannabis products in Israel and abroad. The Company has marketing and distribution agreements with leading medical cannabis companies in Germany and Canada, with a total volume of approximately 80 tons of produce annually. Together Pharma has a team

of experts in growing cannabis with more than 20 years of knowledge and experience in the practical growing of cannabis and the Company is in advanced stages of receiving marketing approval in Germany and the entire European market, including the filing of an application for obtaining European export permit of medical cannabis products and obtaining a license to distribute them throughout Europe.
